

GOLF TOUR

Sheridan is Wyoming's Golf Capitol!

Sheridan can boast of having four quality golf courses within a 40-mile radius. Of those four, three are located just a short drive from Sheridan. Make Sheridan your base and golf for a week - the difficulty is saying good-bye.

(1) KENDRICK MUNICIPAL GOLF COURSE

Golf with the Big Horn Mountains as your backdrop, at Kendrick Municipal Golf Course, an 18-hole course just west of Sheridan. Kendrick Municipal provides great golf throughout the course and the scenic vistas are second to none. For practice, try the driving range. Eat at the clubhouse or find what you need in their pro shop. The course is open from May through September. For information or to schedule a tee time call (307) 674-8148.

(3) THE POWDER HORN

Championship golf can be yours at The Powder Horn Golf Club, just south of Sheridan near Big Horn, Wyoming. This course offers twenty-seven holes of first-rate golf - the first nine are traditional Scottish links, while the stag nine are pure western-style golf.

The Eagle nine rounds out the course, offering surprising length and creative shots within a mix of meadow and creek-side terrain. The two practice facilities are state-of-the-art. The course is open May through September.

Golfweek Magazine gave this course the distinction of being one of the top 100 Modern Day courses. There are now 8,000. For additional information or for a tee time please call (307) 672-5323.

(2) SHERIDAN COUNTRY CLUB

This nine-hole course is a semiprivate course and is open to the public from 8 AM to 8 PM daily through the summer months. This course is ideal to get in a half round of golf or with offset tees, a full round of 18 holes can be played. To contact the Country Club, call (307) 674-8135.

(4) BUFFALO GOLF CLUB

And located just 35 miles down the road is the Buffalo Golf Club - fun to play, at the base of the Big Horns, with mature, tree-lined fairways, and lots of up and down play.
